1. Background

The Borough of Hanover has no formal outdoor dining regulations in the current Code of Ordinances, beyond those that were created to facilitate use of sidewalks in the General Business (GB) District. To support local restaurants in this unusual time, the following temporary policy has been drafted in order to facilitate the anticipated requests related to eating outdoors. The Borough will review and expedite outdoor dining requests on a case-by-case basis for a temporary period. Mirroring the process that is facilitated / allowed by the Special Events permit process, restaurants will be asked to submit both an application and an informal outdoor seating plan for review and acknowledgement.

2. Informal Plan Review

Restaurants that wish to do outdoor dining must submit a detailed sketch, (drawn as close to scale as possible) to the Hanover Borough Department of Planning and Engineering (DPE) for review. The submission must have sufficient detail so that the staff can determine the layout and location on the site. A layout on an actual field survey is preferred if available but not mandated. There will be no fees for these reviews and DPE will strive to expedite the reviews and endeavor to complete them within two (2) business days of submission.

3. Requirements:

- Dining tables must be spaced at least 6 feet apart and be on a paved surface.
- Tables must not block entrances, exits, fire lanes, hydrants, sprinkler connection points, drive aisles, back-up areas, pedestrian or handicapped access.
- Parking spaces may be used for dining tables, but there must be a physical barrier or separation to protect customers from vehicle traffic, such as bollards, jersey walls, barricades, or large scale (structural) planter boxes.
- The outdoor seating plan must meet Fire Department standards, including points of egress, access to fire extinguishers, etc.
- If a tent or canopy is to be used it must be fire rated and the fire rating for the tent must be approved by the Borough.
- There must be a restroom along an accessible route within close proximity to the outdoor eating area.
- The outdoor food serving operations must adhere to all applicable state guidelines as have been issued and may be revised from time to time.
Restaurants that use outdoor seating must ensure that outdoor dining areas are maintained and free of trash and other debris. Restaurants with a liquor license must adhere to and/or obtain approval from the state to serve alcohol in an outdoor area. Operating hours for outdoor areas must be disclosed on the application request.

If the proposed outdoor area would utilize a public space, the Borough reserves the right to limit the hours of operation. In no case shall the hours of operation exceed the normal hours for indoor seating.

If any application cannot fully meet the above specified criteria, then the Borough shall have the right to review each case to determine the risk to the public health, safety and welfare.

Each application, if approved, will also be required to provide the following documents:

- A signed disclaimer (regarding any claims filed by third parties for damages, injuries, etc. regarding outdoor seating areas)
- A signed affidavit regarding COVID-19 protocols as issued by the state and or Federal government.

This policy is temporary in nature until such time as regulations due to COVID-19 are relaxed. It is not intended to provide a permit track for establishing permanent outdoor eating areas. Therefore, no permits will be issued. A letter of acknowledgement will be provided once an application has been received, reviewed, and determined to provide the minimum protocols as noted in this policy.

There is an ongoing discussion about creating a long-term strategy, as part of a redevelopment initiative, to permit outdoor dining. It is hoped that this will be a means to create diverse dining options and hopefully draw additional patrons into the Borough. As we progress with that, the database of applicants for this temporary process will be used as a sounding board for new ideas, etc.
