EMERGENCY NOTIFICATION ALERTS

Do you receive alerts from The Borough of Hanover? If you do not and would like to receive them, you can sign up by visiting the borough website www.hanoverboroughpa.gov and click on the Community Links then the Code Red Community Notification icon. Those without internet access may call the borough office 717-637-3877 Monday through Friday between 8:00AM and 4:30PM to supply their information over the phone. You may select to receive the information by phone, text message or email. The Borough uses CodeRed, a mass notification system, to inform residents of emergency and general notifications. The data collected is not shared with any one else. The system ensures we are getting timely, informative alerts out to our residents to keep them aware of the latest events that are impacting the community.

FOR AFTER HOURS EMERGENCIES:
For Public Safety, Police or Fire call 911.
For Water call 717-476-2712.
For Sewer Emergencies needing immediate attention call 717-476-2709.

www.hanoverboroughpa.gov
In accordance with the Act of October 15, 1998, P.L. 729, No. 93, Sec. 1, 65 Pa. C.S. Sec. 701, et seq., commonly referred to as the “Sunshine Bill”, the following public meetings of the below listed boards or commissions of The Borough of Hanover will be scheduled for the 2019 calendar year. All meetings will be held at 44 Frederick Street, Hanover, Pennsylvania unless otherwise noted:

PLEASE NOTE—There will be no service stickers for residential collection service

Reminder
A different truck will collect each recyclable separately at a different time for the following items which are collected curbside:

- Aluminum & bimetal (commingled in same bin) * BINS ARE FOR CANS ONLY*;
- Cardboard (broken down & bundled);
- Newspaper (bundled) * Must be kept dry *

Recycling Drop Off Center Info

Current hours: 6:00 AM to 3:00 PM Monday-Friday
(with staffed assistance from 7:00 AM to 12:00 noon)
Every Saturday 7:00 AM - 2:00 PM (with staffed assistance)
Recycling Center will continue to accept recyclable items including clear & colored glass, quality paper, magazines & phone books.

We now accept plastics, (#1, #2, #5)

Textile Box: Located at the Recycling Center for a convenient place to drop your used clothing.

Commercial Recycling

This service requires you to source separate Aluminum Cans, Quality Office Paper, and Corrugated Cardboard. These three items will be picked up the first Wednesday of each month unless additional pickups have been requested through the Borough office. Aluminum cans and Quality Office Paper must be placed in separate sealed refuse bags, and Corrugated Cardboard must be broken down and bundled together or enclose same in an enclosure such as a chicken wire coop or a storage enclosure to prevent the cardboard from blowing in the wind. All recyclable items for Curbside Collection must be placed out by 6:00 AM Wednesday morning if they are to be picked up by the Borough’s Public Works Department.

Please note that you can bring the above recyclables, as well as plastics (#1, #2, #5), glass (clear and colored), and all other paper products (phone books, magazines, shredded paper, junk mail/flyers, etc.), to our Public Works Recycling Center at 139 North St on Monday-Friday 6AM-3PM and Saturday 7AM-2PM.
MISC REFUSE COLLECTION INFO

Refuse Weight
Households are allowed to place up to three (3) 30 gallon bags per week curbside.
No bags or cans in excess of 30 gallon size will be picked up!

Special or Large Item Pickups
Please call Public Works at 717-632-3939 to schedule a special pickup.
Residential Service - 1 large item picked up weekly free
Must call 717-632-3939 to schedule pickup of large item

Holiday Pickup
Holidays that change your pickup day to Wednesday
(New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving, and Christmas Day)
Holiday pickup is always the Wednesday of the week the holiday falls.
If your regular pickup day is Monday or Tuesday and the holiday falls on one of these days, the pickup is always the Wednesday following the holiday. If your regular day is Thursday or Friday and the holiday falls on one of these days, the pickup is always the Wednesday before the holiday.

Garden Waste Collection (Borough Residents Only)
Garden and leaf waste will be picked up with your recyclables During May and October on your regular pick-up day:

BAGS CONTAINING ROCKS, GRASS, TREE LIMBS OR GROUND WILL NOT BE COLLECTED*

HANOVER AREA TRANSFER STATION
HOURS & RATES

Hours: 7:00 AM to 2:30 PM Monday through Friday
Minimum Charge: $30.00
All appliances with Freon: $30.00 per item
$50.00 per item if picked up curbside by Borough Staff
Not accepted items: Propane bottles, antifreeze, motor oil or car batteries, telephone poles, railroad ties or lumber over 8 feet in length, any electronics.

ELECTRONICS — York County Drop Off Center Location
Penn Twp Recycling Center
1020 Wilson Ave
Hanover, PA 17331
CHANGES IN PLASTIC RECYCLING

Due to changes in the global recycling markets, the Hanover Borough Recycling program must restrict the types of plastic eligible for recycling. Only Plastics #1, #2 and #5 can now be accepted. All other plastics should be disposed of with your regular trash.

GUIDELINES FOR PLASTICS #1, #2 and #5

PLASTIC BOTTLES/CONTAINERS
- Plastic Water, Juice & Soda Bottles
- Plastic Containers & Bottles #1, #2 & #5: This may include items such as shampoo bottles, liquid detergent containers, condiment bottles, water bottles, milk jugs, yogurt cups, prescription bottles, etc. Please check the container to find the designated number. The neck of the bottle should be smaller than the base.

HOW TO PREPARE PLASTICS
- Remove caps or lids (caps and lids are still recyclable but should be removed before placing them in the recycling dumpster
- Rinse thoroughly to remove any residue
  Labels and neck rings do not need to be removed from containers

WE CAN NO LONGER ACCEPT
- Styrofoam of any kind
- 5 gallon buckets
- Toys, lawn furniture, laundry baskets, clam shell containers

Please note that these regulations are subject to change as the recycling markets remain volatile.
“Flushable” Wipes Blamed for Sewer Woes

Avoid flushing any type of wipe, “flushable” or otherwise, down the toilet. This will prevent costly clogs and environmentally damaging overflows at your local sewage system. In fact, it would be best to avoid disposable wipes completely since they produce waste that should end up in a landfill, and more sustainable alternatives (such as your normal dissolves-quickly-in-water toilet paper made on unbleached recycled paper) exist. If you can’t let go of your wipes, make sure they are properly disposed of in the trash.

Hanover Area Fire and Rescue Commission
228 High Street
PO Box 1292
Hanover, PA 17331

Anthony Clousher, Fire Chief
717-646-2841

The second phase of the SOUND THE ALARM event is coming this fall. We have partnered with the Red Cross and several other businesses in the Hanover area to bring this event to Hanover. The event will occur on Friday October 18th 2019. The target area will be the area west of Baltimore Street and north of Granger Street. The following is an excerpt from the Red Cross website:

https://www.redcross.org/sound-the-alarm.html

Every day, seven people die in home fires, most victims in homes that lack smoke alarms. Sadly, children and the elderly disproportionately lose their lives. The American Red Cross wants to improve the odds and save lives - that’s why we launched our Home Fire Campaign.

A critical part of the campaign is Sound the Alarm, a series of home fire safety and smoke alarm installation events across the country. Together with fire departments and other community partners, Red Cross volunteers:

- Canvass at-risk neighborhoods
- Install free smoke alarms
- Replace batteries in existing alarms
- Provide fire prevention and safety education

In just five years, our home visits have accomplished so much, including the installation of more than 1.8 million smoke alarms and preparing more than 1 million people against home fires.

Giant, BB&T Bank and the United Way are among some of the major supporters of this event. Residents in the target area of town mentioned above can expect to find a door-hanger announcing the event about a week prior. The day of the event, volunteer teams will be knocking on doors to see if the resident is in need of a smoke detector. All volunteers will have some form of identification for Sound the Alarm and the organization they represent. You can expect to see some of the Fire and EMS staff with some of the teams.

More specific information regarding the target area will be posted on the Hanover Area Fire & Rescue Facebook page as it becomes available.
HANOVERIANS - THANK YOU FOR TAKING PRIDE IN CURB APPEAL OF YOUR HOMES & BUSINESSES

LET'S KEEP UP THE GOOD WORK & SET AN EXAMPLE FOR PATRONS & VISITORS TO OUR COMMUNITY BY THESE SIMPLE PRACTICES:

♦ Remove weeds, high grass & debris from the public right of way in front of your home or business
♦ Keep it swept up neat & shovel your snow!

WE CAN LOOK GREAT TOGETHER!

A special THANK YOU to the Public Works Dept for all their efforts with downtown & curbside clean up!

**SNOW EMERGENCY ROUTES**

1. EISENHOWER DRIVE
2. MOULSTOWN ROAD
3. CARLISLE STREET
4. BALTIMORE STREET
5. YORK STREET
6. E & W CHESTNUT ST
7. FORNEY AVE-CHESTNUT TO FREDERICK STREET
8. FREDERICK STREET
9. BROADWAY
10. HIGH STREET
11. ELM AVE-CARLISLE ST TO RAILROAD TRACKS
12. RUTH AVENUE
13. LOCUST ST-MIDDLE ST TO PLEASANT ST

**OFF-ST PARKING AREAS**
MUNICIPAL LOTS ONLY

A. CARLISLE ST LOT
B. W CHESTNUT ST LOT
C. FREDERICK ST LOT
D. BALTIMORE ST LOT
E. YORK ST LOT
F. E CHESTNUT ST LOT
G. MARKET HOUSE LOT

***VEHICLES CAN BE STORED HERE ONLY DURING THE SNOW EMERGENCY***
Residents with driveways should clear an area to the right of your driveway (when facing your driveway from the street) to give the snow on the blade of the plow a place to empty before it gets to your driveway. This will help to lessen the amount of snow pushed back in front of your driveway. Residents with on-street only parking should pile snow on the curb line. Please be mindful that it is illegal to push snow from a parking lot, sidewalk or driveway onto a street or alleyway.

IF YOU ARE NEAR A FIRE HYDRANT, PLEASE SHOVEL OUT THE HYDRANT TO HELP WITH THE FIRE DEPARTMENT.

HOW TO PREVENT FROZEN WATER PIPES

INSIDE YOUR HOUSE
1. Open the cabinets under the sinks in your kitchen and bathrooms to allow heated air to circulate around the water pipes.
2. Set your thermostat at a minimum of 55 degrees, especially when you are gone for the day or away for a long time.
3. Let indoor faucets drip, but don’t run a heavy stream of water. (remember it only takes a small drip) if you plan to be away during cold temps.

OUTSIDE YOUR HOUSE
1. Protect faucets, outdoor pipes, and pipes in unheated areas with pipe insulation. In a pinch wrapping them with rags, newspapers, trash bags, plastic foam or even bubble wrap can add needed protection.
2. Cover any vents around your home’s foundation.
3. Drain water hoses and store them in a garage or shed.
4. Make sure you know where your house’s shutoff valve is and how to turn it on and off.
Happenings at Guthrie Memorial Library
Hanover’s Public Library, 2 Library Place
www.yorklibraries.org/guthrie
Hours Monday thru Thursday 10 am.to 8 pm.
Friday & Saturday 10 am.to 5 pm.

Upcoming Events at the Library

  - in the Bare Center
  - Registration is requested

- **Fire Safety for Homeschoolers**
  - Presented by Hanover Fire & Rescue
  - Friday, October 4
STORMWATER MANAGEMENT PROGRAM

As part of the new Stormwater Management Program, a goal of the Borough is to **televise** the entire system to understand its current state. Thus far the crew has televised approximately **17,000 feet** and observed some disturbing things:

- Rusted bottoms of metal corrugated pipes
- Tile used as pipe material
- 5 gallon bucket wedged

The crew will continue televising the system while generating a list of high priority areas for project planning.

**POOL DISCHARGES**—Closing your pool soon???

Discharging your pool to the roadway, which ultimately flow into the Borough stormwater system is a violation of the Clean Streams Law and Borough of Hanover Stormwater Management Ordinance. Please call or visit the link below for more information. [http://www.hanoverboroughpa.gov/Stormwater-Management.html](http://www.hanoverboroughpa.gov/Stormwater-Management.html)

Do not discharge to any impervious surface.

Discharge to vegetation on property.

WE ALL LIVE IN THE SAME WATERSHED SO WHY NOT DO YOUR PART TO HELP PRESERVE IT?

- Clean up after your pet.
- Do not use harsh fertilizers.
- Do not throw cigarette butts out the window.
- Keep your lawn height 2-3 inches.
- Do not litter.

HELP PROMOTE ‘ONE WATER’
**Was your house built between 1945 and 1972?**

Your sewer lateral may be Orangeburg Pipe.

What Orangeburg Pipe is and why it matters
If you said YES, you have a high potential of having sewer line pipe made of a material called Orangeburg. Since these pipes are going end of life underground now, and since the sewer line is your homeowner’s responsibility, this has come up as a highly requested topic for our Newsletter. Here is the important information you need to know about Orangeburg pipe.

Orangeburg pipe is bituminous fiber pipe made from asphalt impregnated layers of wood pulp and pitch pressed together – essentially tar paper. Lightweight and brittle, this piping absorbs moisture and deforms under pressure, it started out as a substitute to cast iron pipe, which was heavily taxed during WWII to support the war effort.

**How long does Orangeburg Pipe last?**

Orangeburg has a life expectancy of approximately 50 years. After 30 years, deformation may begin to occur. All homes with Orangeburg pipe are pre-1972 and 47 or more years old. That could put your house at risk.

**What happens when the Orangeburg piping begins to deteriorate?**

Once the product begins to break down homeowners can expect frequent clogged lines, tree root invasion and even total pipe collapse. Once the deterioration process begins, Orangeburg sewer pipes deform quickly, allowing tree roots to break in to them and literally shred them.

**How do you tell if your home has Orangeburg Pipe?**

If your house was built between 1940 and 1972, there’s a chance you have Orangeburg. The product was used as the standard piping as late as the 1970’s. Also, if you have frequent clogs in your main sewer line or you see indentations in the front yard that line up with where the sewer should be, it might be a sign of Orangeburg pipe deterioration. If your neighbors have Orangeburg, you probably do too.

**You have Orangeburg Pipe in your home. What is the solution?**

We recommend having a licensed plumber come out and perform a side sewer camera inspection. This is a video camera review that does not require digging anything up. If it’s determined Orangeburg has been used and is showing signs of deterioration the solution would be to replace ALL of it at once with PVC piping or other technologies such as CIPP lining or pipe bursting. The bottom line is this material will deteriorate after a certain amount of time due to pressure and moisture. If you do not address the problem, eventually your sewer line will fail which could cost thousands in preventable repairs.
HANOVER WATER DEPT HYDRANT FLUSHING
Flushing will take place on the West Side of Baltimore St, and Carlisle St, including McSherrystown Borough and Conewago Twp., on **Monday and Tuesday, October 7th and 8th.** And the East Side of Baltimore St and Carlisle St will be on **Wednesday and Thursday, October 9th and 10th.**

Flushing will start at 8:00 am each day.

While the hydrants are being flushed the water may be discolored. You are advised not to draw water while they are flushing in your immediate area. Any question please contact the Borough Office at (717) 637-3877.
